

## Apply for Remotely Piloted Aircraft (RPAS) Course

4IRI Drone Academy (Pty) Ltd, in partnership with Aviation Junction, is an Approved Training Organization with the Civil Aviation Authority providing an expert course for recreational and commercial RPAS Pilots. Our Remote Pilot License (RPL) course affords pilots with the know-how and practical competencies critical to function unmanned aircraft commercially, safely and effectively. Our Introductory Course offers private individuals the knowledge and fundamental sensible abilities to operate the unmanned plane in a protected and legal manner.
